

## ACCESS SERVICE

On April 13, 2001, under Transmittal No. 24, the Verizon Telephone Companies (Verizon) reissued its Tariff F.C.C. No. 11 under the name of "The Verizon Telephone Companies" and, at the same time, cancelled it under the name of "The Bell Atlantic Telephone Companies." The supplements that were still in effect under the Bell Atlantic tariff, namely supplement numbers 1, 3, 5, 6, 7, 9, and 10 were reissued under the Verizon tariff. However, in reissuing these supplements, Verizon inadvertently listed the Bell Atlantic tariff pages rather than the Verizon tariff pages where the associated tariff material is now located. In addition, supplement number 7 was erroneously included since that supplement was no longer in effect once the service involved, ATM, was removed from the Bell Atlantic tariff in its entirety.

With this supplement, Verizon hereby combines the information included in the reissued Verizon supplements, cancels Verizon supplement numbers 1, 2, 3, 4, 5, 6, and 7, and lists the correct tariff pages where the associated tariff material is now located.

The original supplements were issued pursuant to the following Commission Orders. These Orders were issued to suspend the effective date of tariff material pertaining to Expanded Interconnection for one day, to place the associated tariff material under investigation, and to establish an accounting order.
